## Fine Art Enters the Bronze Age

Graceful. Inspiring. Handmade.  
The beauty of Mediterranean bronze sculptures is world-renowned. And so is the reputation of Italica.

Italica specializes in the production and publishing of fine art in bronze. Since 1985, we have built our reputation representing the most gifted of Mediterranean bronze sculptors. Today we are known around the world for providing the highest quality sculptures for galleries, collectors, interior designers and decorators with limited editions.

Now you can get to know our wide selection of exquisite sculptures in both contemporary and traditional styles. Each has a certificate of authenticity, which guarantees the quality and the process of hand-made art in bronze.
